MADISON COUNTY IS UP TO TWELVE CORONAVIRUS CASES

Anderson, IN - Overnight we received five new positive COVID-19 test results in Madison County, IN. With these five additional cases, we are now at twelve positive COVID-19 cases. Of the five cases 4 are females and 1 male.   The female patients were 20, 31, 41, and 18 while the male patient is 67. Covid-19 does not discriminate against any age or sex, everyone must take precautions to remain safe and healthy. The best way to protect yourself is to practice social distancing and Stay Home. Here is a slide showing the demographics of the COVID-19 cases in the State of Indiana.

We have setup an email address for citizens to ask questions, or report businesses who are not in compliance with our Public Health Order issued in Madison County, IN.   You can email our staff at healthdept@madisoncounty.in.gov.
